

Advanced Communication Skills Training

Face to Face training with Princess Alice Hospice

Who is the course for?

Senior health care professionals (band 6 or equivalent and above)

What will I learn?

Effective communication is fundamental to good quality patient care. This course will explore challenging communication issues from the participant's practice.

This will be achieved through a range of interactive teaching methods and role play with actors using feedback as a central component of the course.

Fee: £700 per person

Lunch and refreshments included

Book online: www.pah.org.uk/book

Any questions / queries: education@pah.org.uk

Next course on...

29 & 30 March 2023

It is essential participants attend both days

If you would prefer a blended course (via Zoom) at Princess Alice Hospice see dates here:
