

Advanced Communication Skills Training

Princess Alice
Hospice

The new blended learning ACST Model

E-Learning (date-4 week prior to workshop)

Online workshop (two-days)

- 2 hours online e-learning (this is to be completed before the online workshop, but can spread out over the 4 weeks prior)
- Phone or Laptop, do your eLearning in breaks, travel or home, with most session under 10mins each.
- 20min 1-2-1 with course facilitator (to discuss learning objective and role-play scenario)
- 2 day zoom workshop (approx. 5 hours per day)

You will receive a unique Access code for e-learning platform. Your place on the 2-day workshop is not confirmed until you register onto the platform & book your 1-2-1

2-day online workshop requirements:

- Study-leave
- Access to broadband for the 2 days
- Desktop or laptop computer recommended, phone not recommended
- Cameras will need to be on at all times
- A private / confidential space (headphones & microphone if unable to assure privacy)

Next course on...
