

## Join our new Share and Learn Network!

A new initiative from Princess Alice Hospice\*, for all care home workers.

By joining the **Share and Learn Network**, you'll receive:

- Convenient, online access to 6-weekly, 1-hour sessions run by experienced Princess Alice Hospice staff
- Peer support from other care home workers in your area
- Access to high-quality online modules that can be viewed at any time
- 10% discount on many face to face or Zoom courses
- Evidence of professional development for Nurses and Nursing Associates if participating in Network events
- Invitations to networking events: meet other care home workers, share ideas and gain new skills in a friendly and supportive environment
- Opportunities to share advice, offer support, gain knowledge, learn new skills and hear from experts in End-of-Life Care
- An opportunity to tell other care homes about what aspects of care you're passionate about and share your knowledge

### Topics

We have a rolling programme of interesting topics throughout the year including:

Managing emergency situations
Oral care at the end of life
Caring for a resident who is dying
Managing a resident with diabetes at the end of life
Saying goodbye after a resident has died

#### What does it cost?

Membership costs **£300 per annum**, per care home, which includes unlimited memberships for colleagues within your organisation.

#### How do I join?

Visit [www.pah.org.uk/sharelearn](http://www.pah.org.uk/sharelearn) to join or email [shareandlearn@pah.org.uk](mailto:shareandlearn@pah.org.uk) with questions.

'The quality of training and knowledge delivered to us over the years by Princess Alice Hospice has been absolutely brilliant'

- Sylwia Indycka, Care Home Manager, Birtley House
