Events Volunteer

You can help to make it happen!

OUR CHALLENGE

We run a fantastic range of family friendly, fun events throughout the year, which help us meet our annual fundraising targets and provide opportunities for people to do something positive in memory of their loved ones.

We aim to make each and every event a great day out and a rewarding experience for everyone involved - to achieve all of this we need your help.

HOW YOU CAN HELP

This is a hugely varied role depending on the type of event, which can range from sporting events to summer fetes, remembrance events, to open gardens and more...

Typical activities include:

- Registering participants
- Cheering participants along at our 'cheer stations'
- Marshalling event route and car parking
- Set up and take down of equipment
- Serving refreshments
- Supervising on one of our stalls

IMPACT YOU WILL MAKE

Our calendar of events simply could not happen without the contribution of volunteers like you. By becoming an events volunteer, you enable our events team to collectively deliver far more than they could on their own. Crucially, these events also contribute funds to support the Hospice in its mission to expand our excellent care to more and more people across our community.

Princess Alice Hospice

Princess Alice Hospice is a centre of excellence.

We believe that end of life care is about helping people live every moment to the full, in comfort and dignity. It's about creating a space, whether in our Hospice or at home, where families can enjoy special moments and make precious memories.

Every day we're improving our services. And we've made it our mission to reach even more people with the expert end of life care everyone deserves.

I'm proud to say I've been a volunteer at the hospice for many years. I volunteer in a number of roles and my favourite department is fundraising where I can engage with the public and have some fun!
