

See the life-changing difference **you make!**

Here are a few highlights from the past year.

4,122

people were supported by
our clinical teams in 2025/26

(17% more than the previous year)

100%

of our care is
delivered

without charge

Thanks to supporters like you:

290

people were cared for
on our **In-Patient Unit**

3,814

people were cared for by
our **Hospice at Home** teams

1,395

people were supported
by our **Bereavement** teams

We supported

151

local children and family
members through
loss and bereavement

Our **Wellbeing team**
were there for

775

patients and carers

Our **Night Response
team** made

1,525

visits to local people

We now have

267

Talk, Listen, Connect
(TLC) connectors.

TLC helps people feel more
confident to support others
when times are tough, covering
topics such as loneliness, active
listening, and how to support
someone who is grieving.

These numbers reflect
real lives; comforted
and supported because
of people like you.
